So you thought you'd never have to live with Mum again? Think again. As the population ages, elderly parents everywhere are moving in with their children - and changing everything. Making room - physically, emotionally, and financially - for an elderly parent can push families to their limits. "When Your Parent Moves In" helps readers deal with the far-reaching implications such a move can have on every aspect of a family's life. Written by an acclaimed expert and medical educator who's been there, this straightforward guide walks readers through the planning and execution necessary to make it work. With personal stories, case studies, and expert quotes, "When Your Parent Moves In" offers readers the skills and strategies they need for an easy and harmonious transition.
