Insight City Guides just got even better! With more detailed coverage spanning over 350 pages and over double the number of photos, this guide provides a highly visual introduction to Las Vegas. Two street atlases provide extra clarity and easy orientation; one indexed atlas locates hotels and restaurants, and a second plots principal sites and attractions. The Best Of section illustrates everything you can't afford to miss. Editor's top tips reveal lesser-known sights, best views, best walks, best family activities plus money-saving hints. A new colour-coded overview map introduces the places section and highlights the top sights at a glance. Expanded and updated restaurant listings feature the best eateries to suit all budgets within each area, giving the address, phone number, opening times and price range, followed by a useful review. A new illustrated section covers all the top shopping areas, department stores and markets. From the best places to grab a bargain to designer stores, this section will give you all the insider information for your ultimate shopping experience. A comprehensive Travel Tips section provides all the information you'll need for a hassle free holiday, covering accommodation, transport, currency, language and more. Enjoy your city break in style with Insight Guides.
