Bullying can wreak havoc on a child's self-esteem, safety, and happiness. Parents need a comprehensive guide to ensure that their children's education and quality of life are not compromised. "The "Everything" Parent's Guide to Dealing with Bullies" includes information to help parents learn to: find out where it's taking place - from school to the Internet; understand the differences between bullying among boys and girls; get support from teachers and school administrators; and, handle bullying situations involving children with special needs. Written by two experts in the field, this guide gives parents the tools to recognise the problem, treat it, and prevent it from happening again.
