"Bottles, Budgets, and Birthplans" is essential for any pregnant woman who wants to anticipate what's to come and enjoy the nine months of her pregnancy. Written in easily digestible, bite-sized tips, this book details such topics as: Baby safety - lock those cabinets and plug those outlets; Choosing a pediatrician - more difficult than choosing your mate; and, Baby names - we have to name her too? It also includes topics such as sleep for the baby and you: ah, sleep, the long-lost friend; and Activities for baby: what do I do with him?
