All one needs is instruction and inspiration, both of which are found in good measure in "The Art of Papercutting". The book includes more than 20 projects that feature a range of sizes, subject matters, and techniques. Every project features step-by-step photographs and numerous helpful hints.

## 作者介绍:

Author Henya Melichson has been a papercut artist for more than twenty years. With a background in painting and drawing, Henya's papercuts are inspired by diverse ethnic and natural motifs. Her work has appeared at museums in Europe, the United States, and Israel. She has held several solo exhibitions and has participated in group exhibitions in the United States and Europe. A member of the Guild of American Papercutters, Henya has led seminars, instructed hundreds of budding papercutters, and been interviewed for television programs.
