A dark, ruthless Highlander, the Black Macleod has refused his destiny. His life is revenge for the massacre of his family. His enemies' insults--that he is a man of stone--only amuse him. But fate is impatient, and when a woman from another time dares to summon him, he cannot resist her powers--or her....A schoolteacher by day, Tabitha Rose uses her magic to protect others by night. When the vision of a dark Highlander, bloody and burned, appears to Tabby, she knows she has been called to help him, no matter how frightening he might be. But what Tabby doesn't expect is to be taken against her will to his dark, violent time. And when evil begins to stalk her, she realizes she must fight for far more than his destiny--she must fight for her love....
