ASSESSMENT OF THE LOWER LIMB is the benchmark textbook of lower limb examination and assessment. The third edition preserves the lucidity, logical approach and comprehensive coverage of its predecessors but adds many new exciting features,

including an all-new colour design, colour line drawings, new contributors, thorough updating of all chapters - many of which have been completely rewritten - and an entirely new chapter on functional assessment. The DVD provides extensive videos of assessment techniques and illustrations: practitioners with patients and models show how to assess all parts of the lower limb, and evaluate various conditions.

DVD incorporating videos and illustrations: invaluable footage of assessment techniques downloadable full-colour figures and extra radiological photographs Many new contributors bringing fresh expertise and insights for today's student All chapters thoroughly rewritten and updated New chapter on functional assessment All-new colour design Case histories help put learning in context
