Jess doesn't think she's going to like ballet - snooty Primrose Pettifer loves it and she'd hate to be like her! But Jess' friend persuades her to go to the first lesson and as soon as she meets her teachers, the magical Miss Ethel and Miss Angelica Twirl, she realises that ballet can be more fun than she'd ever imagined. Primrose decides that she doesn't like her magical ballet teachers and tries to stop them giving lessons. Only Jess' quick thinking and a spell from Miss Ethel, stops Primrose getting her way.
