Jackie Collins continues her climb up the bestseller lists with her biggest novel yet--the next step in a white-hot career. Three high-powered Hollywood couples. Two hot affairs. A devastating murder. And the players' lives are changed forever in this sizzling new Jackie Collins page-turner. Cameron Paradise, a stunningly beautiful twenty-four-year-old personal trainer, flees her abusive boyfriend in Australia and ends up in L.A. Cameron soon gets a job at a private fitness club where she encounters the city's most important players. She has plans to open her own studio, and while every man she meets comes on to her, she is focused on working hard and saving money to achieve her goal. Until she meets Ryan Lambert, that is. An extremely successful independent movie producer, he's married to overly privileged Mandy Lambert, the daughter of Hamilton J. Heckerling, a Hollywood power-player son-of-a-bitch mogul. Ryan has never cheated on his demanding Hollywood Princess wife, but when he meets Cameron, all bets are off. Only internationally bestselling author Jackie Collins knows what happens when lust and desire collide with marriage and power. And the results lead to murder.
