The 4 th of July

In a late-night showdown after a near-fatal chase, San Francisco police lieutenant Lindsay Boxer has to make an instantaneous decision - and sets off a chain of events that leaves a police force disgraced and an entire city divided. As summer comes into full swing, Lindsay and her friends in the Women's Murder Club battle for her life on two fronts: before a judge an jury as her trial comes to a climax, and facing unknown

adversaries who will do anything to keep her from the truth.

### The 5 th Horseman

It is a wild race against time as Lieutenant Lindsay Boxer and the newest member of the Women's Murder Club, attorney Yuki Castellano, lead an investigation into a string of mysterious patient deaths and reveal a hospital administration determined to shield its reputation at all costs. While the hospital wages an explosive court battle that grips the entire nation, the Women's Murder Club hunts for a merciless killer among its esteemed medical staff.

### The 6 th Target

While Assistant District Attorney Yuki Castellano prepares to prosecute the toughest trial of her life, the city is in the grip of a chilling crime spree. Children of well-to-do families are being abducted. But the kidnappings are followed by devastating silence -no demand for ransom. Working frantically with her new partner, Lindsay Boxer struggles to find the connection that will help them make sense of these horrific crimes.
