This extraordinary book brings together many sources of important information on the changes occurring within our world, ourselves, and the evolution of consciousness leading up to the year 2012. The Great Shift is a progress report from the field and the messages are positive. aYou donat have to logically do anything but ashow upa with spiritual intent, and the DNA quantum field is activated in your body,a Kryon says. Find a way to live your life in joy and happiness.a Mary Magdalen, through Tom Kenyon, makes it clear that restoring the balance between male and female energies will mean good things for men as well as women and will reignite our creative potency. Patricia Cori channeling the High Council of Sirius reminds us that the future is never predetermined and the past is an illusionadifferent for each of us.
