Throughout his legendary career, John Bogle - founder of the Vanguard mutual fund group and creator of the first index mutual fund - has helped investors build wealth the right way and led a tireless campaign to restore common sense to the investment world. Along the way, he's seen how destructive an obsession with financial success can be. Now, with "ENOUGH", he puts this dilemma in perspective. Bogle offers his unparalleled insights on money, on the values we should emulate in our business and professional callings, and on what we should consider as the true treasures in our lives. By explaining what 'enough' truly is, he demonstrates how close everyone can be to having it.
