isbn:9781423605744

First he taught boys all about mischief and perfecting their shenanigans again a nemesis. Next it was how to play games-without the help of a video-game controller. Now Bart King introduces them to all the important stuff they need to know but adults don't want to tell them. From girls and cooties to flying gadgets and gross stuff, Bart explains it all.

Invaluable lessons include:

The magical powers of duct tape!

How to "gluggle"-juggle underwater!

The awesome art of making faces!

Speaking like a pirate!

And other cool stuff we can't even mention here!

With its handy little size, Pocket Guide to Boy Stuff can go everywhere boys do.
