Covering the latest topics and trends, offering the best competency-based procedures, and providing the most innovative technology, it is easy to see why Delmar's Comprehensive Medical Assisting: Administrative and Clinical Competencies is the most dynamic learning package for medical assisting. In this edition, learn the most current information and procedures necessary to succeed in the medical office. Use the accompanying interactive software programs to translate this knowledge to simulated, real-world environments, and apply critical thinking skills through electronic health records (EHR) software.
