'...one of the most ambitious book projects of the year' - Drew McWeeny. 'Ain't It Cool News ...this collection transcends fandom' - Sarah Marie, "The Austinist". '...one of this year's most satisfying graphic novels' - Randy Myers, San Jose Mercury News. 'There's absolutely something in here for everyone...' - "BUST Magazine". "Comic Book Tattoo", the critically-acclaimed, bestselling anthology has taken the worlds of comics, music and art by storm. In this hardcover special edition, over 80 creators from every style and genre of comics have contributed stories to this stunning book inspired by the music and songs of multi-platinum recording artist Tori Amos. The special edition of the hardcover comes shrink wrapped in an elegantly designed slipcase with silver accents.
