Anna has grown up haunted by her younger sister's death. In the life she constructs as a barrier against the emotional wreckage of her family tragedy, Anna settles comfortably into a career as a teacher of deaf children. But a challenge arrives—in the form of a young girl. Adrea's disarming vulnerability and obvious need for love offer Anna the possibility of reconnecting with the world around her—if she has the courage to open her heart.

In this debut novel, Rachel Stolzman has crafted a moving and poetic witness to love's power to transcend grief, pain, and the constraints of human language. *The Sign for Drowning* is a poignant story of loss and the unexpected occasions of grace that enable us to heal from it and grow beyond it.
