The race is on to discover the lost treasures of ancient Osirion, seat of the Pharaohs of antiquity Scoundrels, archaeologists, Pathfinders, and foreigners scour the

sand-choked pyramids and temples of this once mighty kingdom Pathfinder Companion: Osirion, Land of Pharaohs provides a comprehensive overview of Osirion from its star-crossed ancient history, to its treacherous modern politics. A complete gazetteer of the nation's teeming, monument-laden capital of Sothis provides a great resource for player characters from - and for Game Masters running campaigns set in - the pulp-inspired nation of Osirion.
