Ever turn to your horoscope for help in a difficult time? Well, Zodiac Girls have something even better--when their stars are in lucky alignment, they get a cool cell phone and personal guidance from the planets themselves. But it's not as easy as it sounds--it's up to each girl to make the most of her month as a Zodiac Girl. Tori is an artistic girl with expensive taste but no money. Like most Tauruses, she likes the finer things in life, so coming from a poor family is hard, and sometimes she tells little white lies to keep up with her more well-to-do friends. When Tori finds out that she is a Zodiac Girl, she thinks that her days of wearing secondhand clothes are over. But her planetary guardians aim to teach her the value of something much more important--her own self-worth.
