After healing from an explosive battle, Darian begins a search for a mystical object which just might give him the powers he needs to defeat Mezteck. With Keisha being held hostage, Darian must find his way around Formera with the help of a masked girl named Dee Dee. But with an army of the undead and Mezteck's shadow creatures hot on their trail, can this unlikely duo survive traveling deep into the heart of Formera, where no one has ever come out alive?
