Thirteen-year-old Celeste Harris is no string bean, but comfy sweatpants and a daily chocolate cookie suit her just fine. Her under-the-radar lifestyle could have continued too, if her aunt hadn't entered her in the HuskyPeach Modeling Challenge. To get out of it, she's forced to launch Operation Skinny Celeste—because, after all, a thin girl can't be a fat model! What Celeste never imagined was that losing weight would help her gain a backbone . . . or that all she needed to shine was a spotlight.

A hilarious debut featuring friendship, family, mean girls and even celebrity crushes, Celeste's story is a delicious treat that doesn't add a pound.
