isbn:9780470345184

As one of the few books to cover integration and workflow issues between Photoshop, Illustrator, InDesign, GoLive, Acrobat, and Version Cue, this comprehensive reference is the one book that Creative Suite users need Two well-known and respected authors cover topics such as developing consistent color-managed workflows, moving files

among the Creative Suite applications, preparing files for print or the Web, repurposing documents, and using the Creative Suite with Microsoft Office documents More than 1,200 pages are packed with valuable advice and techniques for tackling common everyday issues that designers face when working with programs in the Creative Suite
