"Set in the late 1990s, "Shuck" describes with great clarity and verve the last gasp of a

gritty Manhattan."-Bruce LaBruce, film director "Shuck" is the intense, dazzling diary of a male hustler in New York who tries to manage his reputation as the city's porn star du jour when he's not dumpster diving, tweaking, or trying to get published. A remarkable peep show of a novel about what binds artists and prostitutes, and the collateral damage of what happens when they try to recover what they have lost.Daniel Allen Cox is a former porn star. This is his first novel.
