Sebastian the curious kitten is playing in the garden with his brothers and sisters when he catches sight of a butterfly. “Wait for me,” he calls, and he is off on another adventure. This is a collection of further adventures with Sebastian and features peek-a-boo holes in the pages that show children tantalizing hints of each adventure to come. Vanessa Julian-Ottie is the author/illustrator of many books for children and the creator of the famed Butterfly Fairies collectables.
