No bachelor's degree? As people like Bill Gates and Thomas Edison have shown, it's no problem. Discover the 300 jobs with the best pay, fastest growth, and most openings--no four-year degree required. The authors have taken massive data from the Department of Labor's Occupational Information Network (O*NET) database and other

sources and turned it into a useful, interesting resource for workers who want good jobs and career advancement without four years in college. Features over 60 insightful "best jobs" lists and 300 job descriptions. In just two steps, 300 Best Jobs Without a Four-Year Degree helps you quickly and easily narrow your career options (step 1: the lists) and learn more about jobs of interest (step 2: the job descriptions).
