出版时间:2009-04-17

装帧:Paperback

isbn:9780156035392

"That Little Something" is the superb eighteenth collection from one of America's most vital and honored poets. Over the course of his singular career, Charles Simic has won nearly every accolade, including the Pulitzer Prize, and he served as the poet laureate of the United States from 2007 to 2008. His wry humor and darkly illuminating vision are on full display here as he moves close to the dark ironies of history and human experience. Simic understands the strange interplay between the ordinary and the odd, between reality and imagination. "That Little Something" is a stunning collection from "not only one of the most prolific poets but also one of the most distinctive, accessible, and enjoyable" ("New York Times Book Review").

## 评论

"The soul is a ghost ship set adrift on the seas of eternity."

-----  
在一家二手书店，花了原价一半的价格买了它。封面还很干净，拿来学英文了。
