In a world with more stuff, more to-do's, and more wants, organizing and efficiency expert Jamie Novak offers clear and simple ideas to help readers cut through the

clutter and find what's important. Proven strategies show readers how they can better organize their lives - and find more free time and energy. The book tackles all areas of life and home, including: Where do I start? How can I free up more storage space? What papers should I save? How can I help my kids stay organized? And, what can I do to get most out of my time every day?
