At age seventy-two, Emma Hanley plans to escape small-town Palmetto, South Carolina, and travel the globe. But when her fickle husband dies in undignified circumstances, Emma finds herself juggling the needs of her adult children. Her once free-spirited daughter Dora turns to compulsive shopping and a controlling husband to forget her wayward past. Her son Bobby still lives with her, afflicted with an illness that robbed him of his childhood promise. When Dora's old flame Jake Cary returns to Palmetto with a broken heart and a gift for gardening, the town becomes filled with mysterious, potent botanicals and memories long forgotten. Soon enough, Jake and his ragtag group of helpers begin to unearth the secrets that have divided the Hanleys for decades. Written with the warmth of Lee Smith and the magical touch of Alice Hoffman, "Secret Keepers "is a beguiling second novel by the acclaimed author of "The Garden Angel. ""
