It's an undeniable fact that traveling to Italy is a dream for many women. While many travel guides offer dry lists of facts and can only guide travelers toward cookie-cutter

tours, this female-centered guide allows women to create a personalized, fulfilling journey. Written in lively anecdotes and organized by vacation type, this book offers a range of possibilities for any budget, interest, and level of travel experience. A godsend for women looking to finally fulfill their Italian fantasies, vacation types include Hepburn's Roman Holiday and Venetian Carnevale, as well as additional information on great shopping, the best beaches, and culinary-themed jaunts. With passion, humor, and helpful details, 100 Places in Italy Every Woman Should Go inspires travelers to discover masterpieces, sensual delights, and adventures in bell Italia.
