Moscow-based journalists and editors Nathan Toohey and Jennifer Chater use their experience living in St. Petersburg and as Moscow locals to divulge the mysteries of an

area hidden from the Western world for nearly 70 years, from exploring Moscow's 24-hour nightlife, museums, festivals and shopping districts to traversing St. Petersburg's canals, palaces and imperial architecture. Toohey and Chater provide suggestions for travelers combining both cities in one visit, along with itinerary ideas, such as a Soviet Flashback in Moscow and the Imperial Grandeur of St. Petersburg. Moon Moscow and St. Petersburg is packed with information on dining, transportation, and accommodations. Complete with details on where to take a troika ride, play billards, or purchase sundries from street traders, Moon Moscow and St. Petersburg gives travelers the tools they need to create a more personal and memorable experience.
