His fields are empty, so Tom Farmer is looking for all the farmyard animals. He's in for a big surprise when he finds them! What will he do to sort them out? Die-cut holes in each page hold clues to what follows, with lots of scope for imitation and expression. Bouncy illustrations, innovative die cutting and popular rhymes make Books with Holes a must for every child. Available in three formats, suitable for babies, toddlers, pre-schoolers and the nursery or classroom.
