What is a Wim Wom? It will eat beans, steal socks and wipe its nose on coats, but what does it look like? All the family are sure that the mischievous Wim Wom will cause trouble for the children if they don't do as they're told, but no one seems clear about what it really looks like. Join the children as they draw, make and model a Wim Wom, using clues from their parents and grandparents. Eventually they decide that the Wim Wom doesn't really exist... or does it?
