Homework, hormones, heartache...middle school has no shortage of perils. Never fear,

the authors of the best-selling Worst-Case Scenario series return with a survival guide for those who are facing or just about to face this big transitional time in school and life. The handbook is packed with funny-but-useful tips for the trickiest situations that crop up in middle school, like taking charge of a too-busy homework schedule, dealing with a cold shoulder from a friend who has suddenly become just too cool, avoiding common e-mail and cell phone disasters, and more.
