People look everywhere for good advice. They seek it out in self-help books or in their therapist's office. But really, all the advice anyone needs is in Vimrod's life. This tiny, addictive character shows us that life isn't all that serious. In fact, it's almost comical. Cheaper than a therapist -- and funnier. * Take in this life lesson: "Try, try, try again. If still you don't succeed, pay for someone else to do it." Well said. * A perfect graduation, encouragement, accomplishment, all-occasion gift. * Get through life in 32 pages and survive happily with original illustrated snippets of wisdom and contemplation.
