Puppeteers and Puppets

We are the masters of the world. We control the Machine, watch every human cog

spinning within it. We have gained power over the material world and the supernatural. And all we had to do was trade our freedom for eternal servitude to those above us.

A Character Book for Mage: The Awakening

The history and society of the Seers of the Throne, from individual cults and pylons to the Greater Ministries

Spells, Supernal Artifacts and altered minions employed in the Seers' agenda of control

Sample antagonists, lore on the Exarchs, new Legacies of power, and more
