The Legions of Hell

It starts with the buzzing of flies. The smell of rotting meat. Then the whispers begin. They're out there, waiting for a moment of weakness so they can slip through, hungry for the vices that feed them. You can even let them in - though be careful of the cost.

A Character Book for World of Darkness

A resource for portraying demons in the World of Darkness, from spirits of evil to the Hierarchies of Hell.

Information on summoning and pacting with demons.

A system for representing those who have been possessed by the infernal.
