Painting 10 masters of the art world in the context of their times, these engaging references examine the political, religious, and social events that shaped the lives and works of history's most celebrated artists. Insightful text and original color paintings provide explanation and analysis of a multitude of masterpieces for young art aficionados to enjoy. Chronicling French painter Pierre-Auguste Renoir's artistic journey from romance and realism to impressionism, this guide studies his life and works such as "The Bathers" and "The Umbrellas."
