After transferring to a new school, Yuki, a disaster-attracting young student, is told that he is actually the reincarnation of Momotaro from Japanese folklore. What's worse, he was cursed by demons in his previous life! And if he doesn't break the curse, he will die on the day he turns 18. But when he goes out to kill these demons, he discovers that he doesn't have to kill them to break his curse. He only needs to provide them with a little demon therapy.
