New York Times bestselling author Chris Gardner returns with a fantastic inspirational self-help book that hopes to provide direction in a time of great uncertainty. If you've been dealing with the loss of a job or home, or have had a health or financial crisis, Start Where You Are abounds with lessons that offer hope and provide a road map for starting anew. This is also the ideal book for anyone ready to launch a personal or professional undertaking, or someone who simply wants to break through the cycles and thinking that have limited his or her potential in the past.
