In this third Suddenly Supernatural book, spirit-seeing Kat has pretty much overcome her fear of communicating with ghosts. But when she and best friend Jac visit the Whispering Pines Mountain House and Kat is challenged to help a deceased medium make her way back into the light, things get a little darker.

From battling off dark spirits to fighting with Jac, Kat's week-long stay at the haunted mountain house is anything but relaxing. The question is what will be scarier: facing off with a misguided spirit or with her best friend, whose mother happens to be their chaperone?
