著者:Jeanne Ferrante

出版者:Springer

出版时间:2009-1-8

装帧:Hardcover

isbn:9780387095011

The book will synthesize and integrate better what are often disparate ideas, themes, and methods across substantive areas of white-collar crime and criminology and criminal justice. The book also puts together critical and emerging topics within criminology and criminal justice that have important implications for the study of white-collar crime and criminology/criminal justice more generally.
