"You will not fear the terror of the night." --Psalm 91A monstrous waking nightmare is pursuing graduate student Hailey Maniates across San Francisco to Golden Gate Park where she is rescued by a towering homeless man. She seems able to read her rescuer's mind, but is it just a delusion? Doctors diagnose her as a paranoid schizophrenic and attempt to prescribe away her alleged hallucinations. But too many questions remain around Hailey and the man who saved her. He appears to suffer from her same mental condition and is convinced that some type of Gypsy vampire is trying to kill them both. Against reason, Hailey finds herself more and more attracted to this strange man. But what if he is a fantasy? What if "he" is the monster? Endorsements: "From its stunning first scene to its heartwarming last, "Shade" is a striking tale of mystery and danger that kept me hooked. This is Olson's finest work yet, and reading it, one gets the feeling he's just getting warmed up." Robin Parrish, author of "Relentless" and "Merciless" "Unseen enemies. Questioned sanity. The weighing of reality. All the things I like in a book The shadows are not silent. I lost sleep over this book. I got goose bumps from this book. The kind of scary that you crave and cringe at, Shade offers up a monster made more frightening by its originality. Thanks a lot, John Olson--because of you, I will not walk alone at night for a long time to come." Tosca Lee, author of "Demon: A Memoir" and "Havah: The Story of Eve" "John B. Olson is a

seasoned storyteller, and "Shade" is quite a story As the heat turns up, and as menacing tones and brooding characters abound, the theme of God's grace boils to the surface. A few years back, Olson gave us a new twist on Jekyll and Hyde; now he puts his own fast-paced spin on the Dracula story. I can only hope there's a sequel in the works " Eric Wilson, author of "Field of Blood" and "A Shred of Truth ""Shade is a smart, gripping thriller. John B. Olson whips you along in a breakneck odyssey through a hellish paradise lost--and keeps you up all night doing it."Melanie Wells, author of "My Soul to Keep" and "When the Day of Evil Comes""Things that go bump in the night are not all figments of overwrought imaginations or evidence of mental illness. As our heroine discovers, evil personified preys on the ignorance of its victims. Lock your doors and windows, leave the lights on, and hunker down for a splendid, spine-chilling read."Donita K. Paul, author of the DragonKeeper Chronicles
