Think it's just judges who are trampling on the Constitution? Think again.

The fact is that government officials long ago rejected the idea that the Constitution possesses a fixed meaning limiting the U.S. government's power. Going right to the scenes of the crimes, bestselling authors Thomas E. Woods Jr. and Kevin R. C. Gutzman dissect twelve of the most egregious assaults on the Constitution.

In *Who Killed the Constitution?* Woods and Gutzman:

- REVEAL the federal government's "great gold robbery" –the flagrant assault on the Constitution you never heard about in history class
- DESTROY the phony case for presidential war power
- EXPOSE how the federal government has actively discriminated to end . . . discrimination

Who Killed the Constitution? is a rallying cry for Americans outraged by a government run amok and a warning to take heed before we lose the liberties we are truly entitled to.

"If you want to know why the federal government regulates the air you breathe, the water you drink, and the words you speak, read *Who Killed the Constitution?* . . . When the history of these unfree times is written, Tom Woods's and Kevin Gutzman's fearless work will be recognized as the standard against which all others are measured."

–Judge Andrew Napolitano, Fox News senior judicial analyst and bestselling author of *The Constitution in Exile*

"It's about time someone shouted out that the emperor has no clothes."

–Kirkpatrick Sale, director of the Middlebury Institute and author of *Human Scale*
