The Little, Brown Compact Handbook with Exercises packages the authority and currency of its best-selling parent, The Little, Brown Handbook, in a briefer book with spiral binding, tabbed dividers, and more than 150 exercises. Concise and accessible, The Little, Brown Compact Handbook helps writing students find what they need and then use what they find. It provides clear explanations of the writing process, grammar, usage, critical thinking, and argument. Its thorough, up-to-date coverage of research writing stresses the library as Web gateway, evaluation and synthesis of print and online sources, and intellectual honesty. It provides the latest documentation guidelines in MLA, APA, Chicago, and CSE styles.
