isbn:9780321557186

The Bittinger Concepts and Applications Series brings proven pedagogy to a new generation of students, with updates throughout to help today's students learn. Bittinger transitions students from skills-based math to the concepts-oriented math

required for college courses, and supports students with quality applications and exercises to help them apply and retain their knowledge. New features such as Translating for Success and Visualizing for Success unlock the way students think, making math accessible to them.
