Welcome to Culinary School delivers exactly what students need to know to thrive in culinary school and succeed in the culinary industry. More than a book on culinary jobs and certification requirements, it outlines a realistic blueprint of how to get more out of school, enhance one's credentials, and find a rewarding position within the field. A motivational tone is emphasized throughout and in-text interviews reinforce the book's universal appeal. Suggested tasks are provided at the end each chapter and encourage readers to develop study skills, credentials and strategies that will yield the ultimate goal-success in the culinary field.

有目录的书最好，可以选择需要的内容看。但这本书结构是它最大的障碍，有的章节不需要讲那么多。
