The market leader in literacy education, Literacy for the 21st Century: A Balanced Approach continues to evolve to meet the needs of a changing world. Crafted for the undergraduate K-8 literacy course, this comprehensive and thoroughly applied text continues to cover the information new and experienced teachers need to know to

teach literacy effectively, and follows this information with the specific strategies to use in the classroom to develop successful readers and writers. Integrating the best of what we know about teaching reading and writing, and implementing the ideas that will lead us into the future of education, the fifth edition provides the balance new and experienced teachers need to be successful in the classroom.
