Funny, heartfelt, and irreverent, "The Pig and I" follows the hilly course of author Rachel Toor's romantic life as she falls in love with a series of pets and in and out of love with an equally eclectic string of men, many of whom bear a striking resemblance to the animals, both in looks and temperament. From Prudence, a sweet white lab mouse who hates Rachel's sweet, mousy actor-boyfriend Charlie, to Emma the pig, a fifty-pound force of nature that Rachel co-parents with her ex-boyfriend Jonathan, we accompany Rachel as she learns how to bring into her human relationships the same kind of acceptance she so easily extends to her pets. Anyone who knows the comfort of coming home after a disastrous date or day at the office to a wagging tail or a ready purr will find "The Pig and I" irresistible.
