" Francesca Lia Block] is the sorceress of iridescent language."--Kirkus Reviews Open Letter to Quiet Light will make readers feel as if they are peering at secret writings meant for the eyes of a lover alone, but these carefully crafted lines somehow transcend the personal to touch everyone who has experienced this kind of consuming, wrenching love. In these fiercely passionate, devastatingly revealing, sometimes spiritual, and often painful poems, Francesca Lia Block describes in fiery detail the rise and demise of a year-long love affair. Her rich use of language infused with the power of sex and spirit finally paint a transcendent, almost mythic portrait of the way two wounded people--both searching for connection--find each other, collide, and eventually separate. The words seem to bleed onto the page and even the most graphic moments have a devotional quality filled with nuanced expression and unbridled intimacy. Francesca Lia Block is renowned for her groundbreaking literary works, including the best-selling Weetzie Bat. Her writing transports readers through the harsh landscapes of contemporary life to realms of the senses where love is a saving grace. She lives in Los Angeles.
