The Grey sisters had only each other when their mother died years ago. Their father provided for them physically on Water's Edge, the ranch that had been in their family for three generations, each of them however, longed for their father's love. Winona, the oldest, knew early on that she could never get it. An overweight dreamer and reader, she didn't exhibit the kinds of talents and strengths her father valued. Vivi Anne, the youngest, had those things. And it was Vivi Anne who only ever saw a glimmer of their father's approval. When Vivi Anne makes a fateful decision to follow her heart, rather than take the route of a dutiful daughter, events are set in motion that will test the love and loyalties of the Grey sisters. With breathtaking pace and penetrating insight, Kristin Hannah's True Colors is a novel about sisters, vengeance, rivalry, betrayal and ultimately, what it truly means to be a family.
