Keyed to the newly revised and updated Sixth Edition of Barash, Cullen, Stoelting, Cahalan and Stock's Clinical Anesthesia, this comprehensive review book is an excellent study tool for preparing for written and oral board exams. It contains over

1,000 questions following the format of the actual exams, with answers and succinct, clearly written explanations. The chapters in the review book correspond to the chapters in Clinical Anesthesia, Sixth Edition . The page number in the textbook where more detailed information can be found is cited in the answer to each question. A companion Website will offer an online question bank for easier self-study.
